**Tuesday, December 8, 2009**
Postdoctoral Seminar in Psychology and Medicine

**Topic: The Evolving Role of Medical Humanities in Research and Medical Education**

**Brian Dolan, PhD**
Family & Community Medicine, UCSF

The postdoctoral seminars consist of presentations by "Psychology and Medicine" faculty (two sessions for each faculty) focusing on their current research, how they came to study the questions they do, and what theoretical perspectives they bring. Speakers discuss where they are going and reflect on the process of research, including ethical issues, methodological or statistical challenges.

The seminars are open to UCSF graduate students, postdoctoral fellows and faculty.

Time: 8:30 - 10:00 am
Location: UCSF Laurel Heights Campus
3333 California Street, Room 474

Contact: Health Psychology Program 415-476-7285 or HealthPsychology@ucsf.edu
