University of California San Francisco
Radisson Hotel, Sacramento, California  
Sept 2 – Evening reception  
Sept 3 – Summit

Don’t miss out on this opportunity to:
· Interact with colleagues from throughout California  
· Discuss the social determinants of health  
· Gain the national perspective  
· Learn best practices and new approaches for diabetes prevention and control in California  
· Find out the winner of the 2009 DIRC Award of Excellence

View the full agenda and register:  
http://www.cce.csus.edu/conferences/cdph/cds08/index.htm  
Space is limited.

Keynote Speakers:

Ann Albright, PhD, RD
Ann is the Director of the Division of Diabetes Translation, Centers for Disease Control and Prevention. She served as the Senior Health Policy Advisor in the Office of the United States Surgeon General and led the Secretary of Health’s Diabetes Detection Initiative. She has also served in key leadership roles with the American Diabetes Association, the American College of Sports Medicine, the American Association of Diabetes Educators, and the American Dietetic Association.

Dean Schillinger, MD
Dean is Chief of the California Diabetes Program in the California Department of Public Health. He is a Professor of Medicine in Residence at the University of California San Francisco and a practicing primary care physician at San Francisco General Hospital. Dean is also Director of UCSF’s Center for Vulnerable Populations. Dean was awarded the Health Literacy in Advancing Patient Safety Award for making significant strides in health literacy to improve patient safety and quality of care.

Break out sessions will include a diverse group of panelists and perspectives.

Sessions are designed to be interactive:
· Diabetes Prevention: From Research to Real World  
· From Data to Action: Promoting Utilization of Diabetes Data  
· Harnessing Community Resources to Improve Quality Care  
· Many Voices, One Message: Addressing Diabetes-related Health Disparities  
· Thinking Outside the Box: New Ideas for Changing Times
Lectures and Seminars

Monday, August 24, 2009
