OBSTETRICS, GYNECOLOGY AND REPRODUCTIVE SCIENCES
Fellowship Program Contact: Leslie Munly

KELLY MCDERMOTT, PHD
Fellowship Director
PhD Health Services Research, University of Washington
MD, Medicine (Obstetrics), University of Notre Dame
BA, Biology, University of Notre Dame
CURRENT RESEARCH: Preventive care for the uninsured: Focusing on efficacy, effectiveness, and acceptability of interventions to prevent unsafe sexual behaviors among youth
GENERAL INTEREST AREAS: Birth control, women's health, adolescent health, preventive care, health services research

ERIC WESTON, MD
Research Fellow
MD, Columbia University Medical Center
BA, Philosophy, Wesleyan University
CURRENT RESEARCH: Health inequities in urban communities
GENERAL INTEREST AREAS: Health disparities, urban areas, policy and financial access to care

Ways to use technology to improve study design as well as mindful interventions, lifestyle modification, and usual care among upper range prehypertensive people compared to a running control and usual care

REBECCA BROWN, MD
Research Fellow
MD, Harvard Medical School
CURRENT RESEARCH: Genomic signatures in older breast cancer survivors
GENERAL INTEREST AREAS: Health disparities, breast cancer, aging

DIVISION OF GERIATRICS
Fellowship Program Contact: Michael D. Cabana, MD, MPH

ADINA ZEKI AL HAZZOURI, PHD
Fellowship Director
PhD Epidemiology and Biostatistics, University of California, San Francisco
MD, Internal Medicine, University of California, San Francisco
BS, Biology, American University of Beirut, Beirut, Lebanon
CURRENT RESEARCH: Social and psychological dimensions of cognitive impairment and depressive symptoms among older adults
GENERAL INTEREST AREAS: Preventive care, health services research, epidemiology of aging

ELIZABETH ROGERS, MD
Research Fellow
MD, University of California, Los Angeles
BA, Psychology, Loyola Marymount University
CURRENT RESEARCH: Roles of economic and social determinants in health equity
GENERAL INTEREST AREAS: Health disparities, social determinants of health, economic inequality

ANNA CHODOS, MD, MPH
Clinical Fellow
MD, Albert Einstein College of Medicine, Bronx
Residency Internal Medicine, Albert Einstein College of Medicine, Bronx
CURRENT RESEARCH: Expanding the use of telemedicine technologies that impact the production of medical graduates to underserved areas
GENERAL INTEREST AREAS: Primary Care, HIV, Global Health, Primary Care

OBSTETRICS, GYNECOLOGY AND REPRODUCTIVE SCIENCES
Fellowship Program Contact: Leslie Munly

DIVISION OF GENERAL AND INTERNAL MEDICINE
Fellowship Program Contact: Anna Dusser

MIRIAM SHEINBEIN, MD
Fellowship Director
MD, Harvard Medical School
Residency Internal Medicine, Beth Israel Deaconess Medical Center, Boston
BA, Columbia University
CURRENT RESEARCH: Exploring the Patient-Provider Clinical Encounter
GENERAL INTEREST AREAS: Endocrinology, Metabolism, Women's Health

ELIZABETH ROGERS, MD
Research Fellow
MD, University of California, Los Angeles
BA, Psychology, Loyola Marymount University
CURRENT RESEARCH: Roles of economic and social determinants in health equity
GENERAL INTEREST AREAS: Health disparities, social determinants of health, economic inequality

ANDREA JACKSON, MD
Clinical Fellow
MD, Stanford University
Residency Internal Medicine, Stanford University Hospital, Stanford
CURRENT RESEARCH: Exploring the Patient-Provider Clinical Encounter
GENERAL INTEREST AREAS: Endocrinology, Metabolism, Women's Health

GUIDO D'ANNUNZIO, MD
Research Fellow
MD, University of Bari
Postdoctoral Fellow, University of California, San Francisco
CURRENT RESEARCH: Personalized therapeutic dosing strategies for neonates and preterm infants
GENERAL INTEREST AREAS: Neonatal medicine, personalized therapy, drug development

PHILIP R. LEE INSTITUTE FOR HEALTH POLICY STUDIES
Fellowship Program Contact: Emmanuelle Florence

JARED ADAMS, MD, MPH
Fellowship Director
MD, Harvard Medical School
Residency Internal Medicine, University of California, San Francisco
CURRENT RESEARCH: Using technology to improve health and health care outcomes among underserved populations
GENERAL INTEREST AREAS: Health disparities, health services research, health information technology

ERICA WESTON, MD
Fellowship Director
MD, Columbia University Medical Center
BA, Philosophy, Wesleyan University
CURRENT RESEARCH: Health inequities in urban communities
GENERAL INTEREST AREAS: Health disparities, urban areas, policy and financial access to care

LAWRENCE ORESANYA, MD
PhD, University of California, San Francisco
MD, University of Rochester, Medical College
CURRENT RESEARCH: Understanding sources of variance in drug response to complex pediatric rheumatic diseases
GENERAL INTEREST AREAS: Immunology, rheumatology, drug development

WEISUN ZHAO, MD
Research Fellow
MD, Duke University Medical Center
MPH, University of California, San Francisco
CURRENT RESEARCH: Understanding sources of variance in drug response to complex pediatric rheumatic diseases
GENERAL INTEREST AREAS: Immunology, rheumatology, drug development

ADINA ZEKI AL HAZZOURI, PHD
Fellowship Director
PhD Epidemiology and Biostatistics, University of California, San Francisco
MD, Internal Medicine, University of California, San Francisco
BS, Biology, American University of Beirut, Beirut, Lebanon
CURRENT RESEARCH: Social and psychological dimensions of cognitive impairment and depressive symptoms among older adults
GENERAL INTEREST AREAS: Preventive care, health services research, epidemiology of aging

DIVISION OF GENERAL INTEREST AREAS
Fellowship Program Contact: Michael D. Cabana, MD, MPH

R E B E C C A  B R O W N ,  M D
Clinical Fellow
MD, University of California, San Francisco
Residency Internal Medicine, Primary Care, University of California, San Francisco
CURRENT RESEARCH: Understanding sources of variance in drug response to complex pediatric rheumatic diseases
GENERAL INTEREST AREAS: Immunology, rheumatology, drug development

VERONICA RIVERA, MD
Clinical Fellow
MD, University of California, San Francisco
Residency Internal Medicine, University of California, San Francisco
CURRENT RESEARCH: Expanding the use of telemedicine technologies that impact the production of medical graduates to underserved areas
GENERAL INTEREST AREAS: Primary Care, HIV, Global Health, Primary Care

L I Z A  B U C H B I N D E R,  M S
Research Fellow
MD, University of California, San Francisco
Residency Internal Medicine, Primary Care, University of California, San Francisco
CURRENT RESEARCH: Preventing depression among older adults
GENERAL INTEREST AREAS: Depression, geriatrics, primary care

AMANDA W. BELL, MD
Resident Fellow
MD, University of California, San Francisco
Residency Internal Medicine, Primary Care, University of California, San Francisco
CURRENT RESEARCH: Preventing depression among older adults
GENERAL INTEREST AREAS: Depression, geriatrics, primary care

L A R R Y  L I N D S E Y,  M D
Research Fellow
MD, University of California, San Francisco
Residency Internal Medicine, Primary Care, University of California, San Francisco
CURRENT RESEARCH: Preventing depression among older adults
GENERAL INTEREST AREAS: Depression, geriatrics, primary care

ADAM FRYMOYER, MD
PhD, University of California, San Francisco
MD, University of California, San Francisco
PhD, University of California, San Francisco
CURRENT RESEARCH: Preventing depression among older adults
GENERAL INTEREST AREAS: Depression, geriatrics, primary care

LAWRENCE ORESANYA, MD
PhD, University of California, San Francisco
MD, University of Rochester, Medical College
CURRENT RESEARCH: Understanding sources of variance in drug response to complex pediatric rheumatic diseases
GENERAL INTEREST AREAS: Immunology, rheumatology, drug development

BECK S. H kiss, MD
Resident Fellow
MD, University of California, San Francisco
Residency Internal Medicine, Primary Care, University of California, San Francisco
CURRENT RESEARCH: Preventing depression among older adults
GENERAL INTEREST AREAS: Depression, geriatrics, primary care

ADINA ZEKI AL HAZZOURI, PHD
Fellowship Director
PhD Epidemiology and Biostatistics, University of California, San Francisco
MD, Internal Medicine, University of California, San Francisco
BS, Biology, American University of Beirut, Beirut, Lebanon
CURRENT RESEARCH: Social and psychological dimensions of cognitive impairment and depressive symptoms among older adults
GENERAL INTEREST AREAS: Preventive care, health services research, epidemiology of aging
